MEMORANDUM FOR: Chief, Plans and Programs Staff

SUBJECT: Weekly Activity Report #44
4 Nov - 12 Nov 1952

I NEW ACTIVITIES

a. Chief, ATD, represented TR(S) at a 5 November meeting on paramilitary training, arranged by the Paramilitary Training Officer for Paramilitary Area Division and Staff Division Chiefs and Area Division Training Officers. The meeting had as its purpose a discussion of the need for re-definition of FM training objectives and requirements. The projected reorganization and re-grouping of courses in the field of Resistance Activities training was first outlined by the TR(S) representative and general response to our proposals, as better meeting indicated current requirements, was favorable. These requirements, however, particularly with respect to numbers to be trained and types of training still need to be clearly stated.

[REDACTED]

g. [REDACTED] has been transferred from TDS to ATD where he will participate as instructor in the Clandestine Psychological Warfare Course and in the development of political action material to be included in a projected extension of the current course.

d. A new outline for a Clandestine [REDACTED] Course has been prepared by Chief, [REDACTED] and is currently being reviewed with representatives of the EN Division [REDACTED] PP. TR(S) is proposing that this course, now slanted from the point of view of clandestine operations rather than the background [REDACTED] be given an initial presentation as a two-weeks half-day seminar in which ECD staff and area division officers will participate and contribute to the development of doctrine and material.
